- (f) ensuring that somebody in a security restricted area at an airport complies with this Part (for example, by complying with requirements about the use and display of an ASIC);
- (g) preventing activities, in security restricted areas at airports, that could result in an unlawful interference with aviation;

*Note* Acts that amount to *an unlawful interference with aviation* are set out in section 3AE of the Act.

  - (c) authorising the applicant would not be likely to be a significant threat to aviation security.
- (3) If the applicant is not an airport operator, the Secretary must not authorise the applicant unless:
  - (a) the applicant is an aircraft operator, or another person who may appropriately be authorised to issue ASICs; and
  - (b) the applicant controls a security restricted area, or part of a security restricted area, of an airport, or reasonably needs on-going access to such an area or part of such an area; and

- (3) A direction must:
- (a) indicate the variation needed; and
  - (b) state the time within which the issuing body must submit an appropriately varied program to the Secretary.
- (4) An issuing body must comply with such a direction.

*Note* Regulation 85 provides for the revocation of the authorisation of a body that does not comply with a direction.
