13.325  Contraventions that are not reportable

For the purposes of paragraph (d) of the definition of *reportable contravention* in section 30DL of the Act, contraventions of the following provisions of CAR are prescribed:

(a) regulation 282;
(b) subregulation 288 (2);

13.330  Prescribed person (Act s 30DM)

For the purposes of Division 3C (Protection from administrative action for voluntary reporting) of Part III of the Act, the Executive Director is prescribed.
13.335 Establishment and purposes of scheme (Acts 30DN)

(1) There is established a scheme (to be known as the *Aviation Self Reporting Scheme*) for the voluntary reporting of reportable contraventions.

(2) The scheme is to be administered by the Executive Director.

(3) The purposes of the scheme are:
   (a) to enable holders of civil aviation authorisations to voluntarily report reportable contraventions without administrative action being taken against them; and
   (b) to strengthen the foundation of aviation human factors safety research; and
   (c) to identify deficiencies and problems in the Australian aviation safety system; and
   (d) to provide data for planning and improvements to the Australian aviation safety system.

13.340 Powers and functions of Executive Director

Without limiting the generality of the powers and functions of the Executive Director as administrator of ASRS, the Executive Director has the following powers and functions:

(a) to process and accept reports;
(b) to give receipts for reports;
(c) to review information contained in reports in order to identify potential safety deficiencies and lessen the likelihood of accidents and serious incidents;
(d) to issue information briefs or alert bulletins that the Executive Director considers are necessary in the interests of aviation safety;
(e) to publish details of reviews made under paragraph (c).

*Note* Regulation 13.360 affects the powers and functions of the Executive Director relating to information contained in reports.
13.345 Manner in which reports to be made (Acts 30DN (2) (b))

(1) A holder of a civil aviation authorisation who has committed a reportable contravention may make a written report of the reportable contravention under ASRS.

(2) The report must be made to the Executive Director, in a form approved by the Executive Director, not later than 10 days after the reportable contravention.

(3) The report must include the following information:
   (a) the name, postal address and daytime telephone number of the authorisation holder making the report;
   (b) if applicable — the aviation reference number of the authorisation holder;
   (c) the class or classes of civil aviation authorisation held by the authorisation holder;
   (d) the time, date, place and nature of the contravention;
   (e) a description of the circumstances of the contravention;
   (f) so far as is practicable, the regulations contravened by the authorisation holder.

Note 1 A copy of the approved form is available from ATSB’s website (http://www.atsb.gov.au) or by contacting 1-800-020-505.

Note 2 A report made by an authorisation holder under this regulation does not satisfy the reporting obligations under:
   (a) the Transport Safety Investigation Act 2003; or
   (b) any other provision of these Regulations relating to the reporting of defects or service difficulties on aircraft or aeronautical products.

13.350 Processing of reports

(1) A report purportedly made in accordance with regulation 13.345 must be accepted by the Executive Director, unless it appears on the face of the report that the contravention for which the report is made is not a reportable contravention.

Note Under section 30DL of the Act, the following contraventions are not reportable contraventions:
   (a) a contravention of these Regulations that is deliberate;
   (b) a contravention of these Regulations that is fraudulent;
(c) a contravention of these Regulations that causes or contributes to an accident or to a serious incident (whether before or after the contravention is reported);

(d) a contravention of a regulation prescribed under regulation 13.325.

(2) If the Executive Director accepts a report, the Executive Director must:

(a) ensure that the report is given a unique receipt number and stamped, on the front page, with the receipt number and the date when the report was made; and

(b) give to the holder of a civil aviation authorisation who made the report a receipt that sets out:

(i) the authorisation holder’s name; and

(ii) the date the report was made; and

(iii) the date and nature of the contravention; and

(c) having regard to subregulation 13.360 (2), determine what information contained in the report is to be included in the files or databases primarily kept for the purposes of ASRS; and

(d) return the report to the authorisation holder who made the report.

(3) If the Executive Director does not accept a report, he or she must, subject to regulation 13.355, return the report to the authorisation holder.

13.355 Reports relating to unlawful interference

If a report relates to an act of unlawful interference (within the meaning of ICAO Document 9713, ‘International Civil Aviation Vocabulary’, as in force from time to time), the Executive Director must send it to the Aviation Security Duty Officer in the Department.
13.360 Use of information contained in reports (Acts 30DN (2) (c))

(1) The Executive Director must not keep a copy of a report made under ASRS.

(2) The Executive Director must ensure that, to the extent practicable, information that identifies the authorisation holder who made the report (or any person referred to in the report) is not included in any file or database primarily kept for the purposes of ASRS.

(3) Information contained in a report of a reportable contravention (other than information that is personal information within the meaning of the Privacy Act 1988) may be disclosed by the Executive Director without the consent of the authorisation holder who made the report but only if the information is to be used for a purpose mentioned in subregulation 13.335 (3).

13.365 Delegation by Executive Director

(1) The Executive Director may, in writing, delegate to a person engaged to perform duties in the Department (whether as an APS employee, SES employee or under any other arrangement) a power (except this power of delegation), function or duty of the Executive Director under this Division.

(2) In exercising powers, functions and duties under a delegation, the delegate must comply with any directions of the Executive Director.

Division 13.K.2 Demerit points scheme

13.370 Offences to which demerit points scheme applies (Act s 30DT)

(1) All offences under CAR and CASR that are specified as strict liability offences are prescribed as offences to which Division 3D (Demerit points scheme) of Part III of the Act applies.
(2) The number of points that are incurred in relation to an offence to which that Division applies are as follows:

(a) if the maximum penalty for the offence is 10 penalty units or less — 1 demerit point;

(b) if the maximum penalty for the offence is more than 10 penalty units but less than 26 penalty units — 2 demerit points;

(c) if the maximum penalty for the offence is 26 penalty units or more — 3 demerit points.
