264 Inspector may give directions

(1) If an inspector believes, on reasonable grounds, that:
   (a) a person is not complying with this Act in respect of a thing; and
   (b) one of the following applies:
      (i) it is necessary to exercise powers under this section in order to protect the health and safety of people or to protect the environment;
(ii) it is desirable in the public interest, having regard to the matters specified in subsection (2), for the inspector to exercise powers under this section; the inspector may give directions to the person, by written notice, requiring the person, within the period specified in the notice, to take such steps in relation to the thing as are reasonable in the circumstances for the person to comply with this Act.

(2) For the purposes of deciding under subparagraph (1)(b)(ii) whether it is desirable to exercise powers under this section to give directions to a person, the inspector must have regard to the following:

(a) whether measures have been, or are being, taken to address the non-compliance with this Act that the inspector believes is occurring (the suspected non-compliance);

*Fault-based offence*

(4) A person commits an offence if the person contravenes subsection (3).

Penalty: 60 penalty units.
Section 265

Reasonable period

(7) A period specified in a notice under subsection (1) must be reasonable having regard to the circumstances.

265 Inspector may give improvement notices

(1) If an inspector believes on reasonable grounds that a person:

(a) is contravening a provision of this Act; or

(b) has contravened a provision of this Act and is likely to contravene that provision again;

the inspector may give a notice (an improvement notice), in writing, to the person.

(2) The improvement notice must:

(3) The period specified in the improvement notice must be reasonable.

   (b) an activity may occur in relation to a vessel that, if it occurs, will involve a serious risk to the health or safety of a person.

(2) The inspector may give a prohibition notice to the responsible person in relation to the vessel. For this purpose, the responsible person is:

   (a) the master of the vessel; or
   (b) if the inspector cannot locate the master—the person who has immediate control over the vessel.

(3) The prohibition notice must:

   (a) specify the activity in respect of which the inspector believes the risk to health or safety has arisen, and set out the reasons for that belief; and
   (b) either:

       (i) direct the responsible person to ensure that the activity is not engaged in; or
Section 268

(b) any thing that is not to be used in connection with the activity;

(c) any procedure that is not to be followed in connection with the activity.

(5) If an inspector is satisfied that action taken by the responsible person to remove the threat to health or safety is not adequate, the inspector must inform the person accordingly.

(6) In making a decision under subsection (5), an inspector may exercise any of the monitoring powers that the inspector considers necessary for the purposes of making the decision.

(7) The prohibition notice ceases to have effect when an inspector notifies the responsible person that the inspector is satisfied that the responsible person has taken adequate action to remove the risk to health or safety.

(8) The prohibition notice may specify action that may be taken to satisfy an inspector that adequate action has been taken to remove the risk to health or safety.

(b) the inspector issuing the notice must give a copy of the notice to the master of the vessel.

270 Notices not to be tampered with or removed

(1) A person must not:
(a) tamper with a notice while it is displayed under section 269; or
(b) remove a notice that has been displayed, before the notice has ceased to have effect.

(2) Subsection (1) does not apply if the person has a reasonable excuse.

Fault-based offence

(3) A person commits an offence if the person contravenes subsection (1).

Penalty: 30 penalty units.

Note: A defendant bears an evidential burden in relation to the matter in subsection (2) (see subsection 13.3(3) of the Criminal Code).
Division 4—Obligations and incidental powers of inspectors

271 Consent

(1) An inspector must, before obtaining the consent of an occupier of premises for the purposes of paragraph 256(3)(a), inform the occupier that the occupier may refuse consent.

(2) A consent has no effect unless the consent is voluntary.

(3) A consent may be expressed to be limited to entry during a particular period. If so, the consent has effect for that period unless the consent is withdrawn before the end of that period.

(4) A consent that is not limited as mentioned in subsection (3) has effect until the consent is withdrawn.

(5) If an inspector entered premises because of the consent of the occupier of the premises, the inspector, and any person assisting the inspector, must leave the premises if the consent ceases to have effect.

272 Announcement before entry under warrant

(1) An inspector must, before entering premises under a warrant:

(a) announce that he or she is authorised to enter the premises; and

(b) show his or her identity card to the occupier of the premises, or to another person who apparently represents the occupier, if the occupier or other person is present at the premises; and

(c) give any person at the premises an opportunity to allow entry to the premises.

(2) However, an inspector is not required to comply with subsection (1) if he or she believes on reasonable grounds that immediate entry to the premises is required:

(a) to ensure the safety of a person; or
Enforcement  Chapter 8

Obligations and incidental powers of inspectors  Division 4

Section 273

(b) to ensure that the effective execution of the warrant is not frustrated.

(3) If:
   (a) an inspector does not comply with subsection (1) because of subsection (2); and
   (b) the occupier of the premises, or another person who apparently represents the occupier, is present at the premises;

the inspector must, as soon as practicable after entering the premises, show his or her identity card to the occupier or other person.

273 Inspector to be in possession of warrant

If a warrant is being executed in relation to premises, an inspector executing the warrant must be in possession of the warrant or a copy of the warrant.

274 Details of warrant etc. to be given to occupier

If:
   (a) a warrant is being executed in relation to premises; and
   (b) the occupier of the premises, or another person who apparently represents the occupier, is present at the premises;

an inspector executing the warrant must, as soon as practicable:
   (c) make a copy of the warrant available to the occupier or other person (which need not include the signature of the magistrate who issued it); and
   (d) inform the occupier or other person of the rights and responsibilities of the occupier or other person under Division 5.

275 Completing execution of warrant after temporary cessation

(1) This section applies if an inspector, and all persons assisting, who are executing a warrant in relation to premises temporarily cease its execution and leave the premises.
Section 276

(2) The inspector, and persons assisting, may complete the execution of the warrant if:
   (a) the warrant is still in force; and
   (b) the inspector and persons assisting are absent from the premises:
      (i) for not more than 1 hour; or
      (ii) if there is an emergency—for not more than 12 hours or such longer period as allowed by a magistrate under subsection (5); or
      (iii) for a longer period if the occupier of the premises consents in writing.

(3) An inspector, or person assisting, may apply to a magistrate for an extension of the 12-hour period mentioned in subparagraph (2)(b)(ii) if:
   (a) there is an emergency; and
   (b) the inspector or person assisting believes on reasonable grounds that the inspector and the persons assisting will not be able to return to the premises within that period.

(4) If it is practicable to do so, before making the application, the inspector or person assisting must give notice to the occupier of the premises of his or her intention to apply for an extension.

(5) A magistrate may extend the period during which the inspector and persons assisting may be away from the premises if:
   (a) an application is made under subsection (3); and
   (b) the magistrate is satisfied, by information on oath or affirmation, that there are exceptional circumstances that justify the extension; and
   (c) the extension would not result in the period ending after the warrant ceases to be in force.

276 Completing execution of warrant stopped by court order

An inspector, and any persons assisting, may complete the execution of a warrant that has been stopped by an order of a court if:
   (a) the order is later revoked or reversed on appeal; and
(b) the warrant is still in force when the order is revoked or reversed.

277 Expert assistance to operate electronic equipment

(1) This section applies to premises to which a warrant relates.

(2) If an inspector believes on reasonable grounds that:
   (a) there is on the premises information (data) relevant to determining:
      (i) whether this Act is being, or has been, complied with; or
      (ii) the correctness of information provided under this Act; or
      (iii) whether there is evidential material on the premises; and
   (b) the data may be accessible by operating electronic equipment on the premises; and
   (c) expert assistance is required to operate the equipment; and
   (d) if he or she does not take action under this subsection, the data may be destroyed, altered or otherwise interfered with;
   he or she may do whatever is necessary to secure the equipment, whether by locking it up, placing a guard or other means.

(3) The inspector must give notice to the occupier of the premises, or another person who apparently represents the occupier, of his or her intention to secure the equipment and of the fact that the equipment may be secured for up to 24 hours.

(4) The equipment may be secured:
   (a) until the 24-hour period ends; or
   (b) until the equipment has been operated by the expert; whichever happens first.

(5) If an inspector believes on reasonable grounds that the equipment needs to be secured for more than 24 hours, he or she may apply to a magistrate for an extension of that period.

(6) The inspector must give notice to the occupier of the premises, or another person who apparently represents the occupier, of his or her intention to apply for an extension. The occupier or other person is entitled to be heard in relation to that application.
Section 278

(7) The provisions of this Part relating to the issue of warrants apply, with such modifications as are necessary, to the grant of an extension.

(8) The 24-hour period may be extended more than once.

278 Compensation for damage to electronic equipment

(1) This section applies if:
   (a) as a result of electronic equipment being operated as mentioned in this Part:
      (i) damage is caused to the equipment; or
      (ii) the data recorded on the equipment is damaged; or
      (iii) programs associated with the use of the equipment, or with the use of the data, are damaged or corrupted; and
   (b) the damage or corruption occurs because:
      (i) insufficient care was exercised in selecting the person who was to operate the equipment; or
      (ii) insufficient care was exercised by the person operating the equipment.

(2) AMSA must pay the owner of the equipment, or the user of the data or programs, such reasonable compensation for the damage or corruption as AMSA and the owner or user agree on.

(3) However, if the owner or user and AMSA fail to agree, the owner or user may institute proceedings in an eligible court for such reasonable amount of compensation as the eligible court determines.

(4) In determining the amount of compensation payable, regard is to be had to whether the occupier of the premises, or the occupier’s employees or agents, if they were available at the time, provided any appropriate warning or guidance on the operation of the equipment.

(5) In this section:

   damage, in relation to data, includes damage by erasure of data or addition of other data.
Division 5—Occupier’s rights and responsibilities

279 Occupier entitled to observe execution of warrant

(1) If:
   (a) a warrant is being executed in relation to premises; and
   (b) the occupier of the premises, or another person who apparently represents the occupier, is present at the premises;
   the occupier or other person is entitled to observe the execution of the warrant.

(2) The right to observe the execution of the warrant ceases if the occupier or other person impedes that execution.

(3) This section does not prevent the execution of the warrant in 2 or more areas of the premises at the same time.

280 Occupier to provide inspector with facilities and assistance

(1) The occupier of premises to which a warrant relates, or another person who apparently represents the occupier, must provide:
   (a) an inspector executing the warrant; and
   (b) any person assisting the inspector;
   with all reasonable facilities and assistance for the effective exercise of their powers.

(2) A person contravenes this subsection if:
   (a) the person is subject to subsection (1); and
   (b) the person fails to comply with that subsection.

Fault-based offence

(3) A person commits an offence if the person contravenes subsection (2).

Penalty: 30 penalty units.
**Division 6—General provisions relating to seizure**

**281 Copies of seized things to be provided**

(1) This section applies if:
   
   (a) an enforcement warrant is being executed in relation to premises; and
   
   (b) an inspector seizes one or more of the following from the premises under this Part:
       
       (i) a document, film, computer file or other thing that can be readily copied;
       
       (ii) a storage device, the information in which can be readily copied.

(2) The occupier of the premises, or another person who apparently represents the occupier and who is present when the warrant is executed, may request the inspector to give a copy of the thing or the information to the occupier or other person.

(3) The inspector must comply with the request as soon as practicable after the seizure.

(4) However, the inspector is not required to comply with the request if possession of the document, film, computer file, thing or information by the occupier or other person could constitute an offence against a law of the Commonwealth, a State or a Territory.

**282 Receipts for seized things**

(1) If a thing is seized under this Part, an inspector must provide a receipt for the thing.

(2) If 2 or more things are seized, they may be covered in the one receipt.

**283 Return of seized things**

(1) An inspector must take reasonable steps to return a thing seized under this Part when the earliest of the following happens:
Section 284

(a) the reason for the thing’s seizure no longer exists;
(b) it is decided that the thing is not to be used in evidence;
(c) the period of 60 days after the thing’s seizure ends.

Note: See subsections (2) and (3) for exceptions to this rule.

Exceptions

(2) Subsection (1):
(a) is subject to any contrary order of a court; and
(b) does not apply if the thing:
   (i) is forfeited or forfeitable to the Commonwealth; or
   (ii) is the subject of a dispute as to ownership.

(3) The inspector is not required to take reasonable steps to return a thing because of paragraph (1)(c) if:
(a) proceedings in respect of which the thing may afford evidence were instituted before the end of the 60 days and have not been completed (including an appeal to a court in relation to those proceedings); or
(b) the thing may continue to be retained because of an order under section 284; or
(c) the Commonwealth, AMSA or an inspector is otherwise authorised (by a law, or an order of a court, of the Commonwealth or of a State or Territory) to retain, destroy, dispose of or otherwise deal with the thing.

Return of thing

(4) A thing that is required to be returned under this section must be returned to the person from whom it was seized (or to the owner if that person is not entitled to possess it).

284 Magistrate may permit a thing to be retained

(1) An inspector may:
(a) before the end of 60 days after a seizure of a thing under this Part; or
(b) before the end of a period previously specified in an order of a magistrate under this section;
apply to a magistrate for an order permitting the retention of the thing for a further period, unless proceedings in respect of which the thing may afford evidence have commenced.

(2) If the magistrate is satisfied that it is necessary for the thing to continue to be retained:
   (a) for the purposes of an investigation in respect of an offence against this Act or a contravention of a civil penalty provision; or
   (b) to enable evidence of such an offence or contravention to be secured for the purposes of a prosecution or proceedings for a civil penalty order;

the magistrate may order that the thing may continue to be retained for a period specified in the order (which must not exceed 3 years).

(3) Before making the application, the inspector must:
   (a) take reasonable steps to discover who has an interest in the retention of the thing; and
   (b) if it is practicable to do so, notify each person whom the inspector believes to have such an interest of the proposed application.

285 Disposal of things

(1) AMSA may dispose of a thing seized under this Part if:
   (a) an inspector has under section 283 taken reasonable steps to return the thing to a person; and
   (b) either:
       (i) the inspector has been unable to locate the person, despite making reasonable efforts; or
       (ii) the person has refused to take possession of the thing.

(2) AMSA may dispose of the thing in such manner as AMSA thinks appropriate.
Division 7—Warrants

286 Monitoring warrants

(1) An inspector may apply to a magistrate for a warrant under this section in relation to premises.

(2) The magistrate may issue the warrant if the magistrate is satisfied, by information on oath or affirmation, that it is reasonably necessary that one or more inspectors should have access to the premises for the purpose of determining:
   (a) whether this Act is being, or has been, complied with; or
   (b) the correctness of information provided under this Act.

(3) However, the magistrate must not issue the warrant unless the inspector or some other person has given to the magistrate, either orally or by affidavit, such further information (if any) as the magistrate requires concerning the grounds on which the issue of the warrant is being sought.

(4) The warrant must:
   (a) describe the premises to which the warrant relates; and
   (b) state that the warrant is issued under this section; and
   (c) state the purpose for which the warrant is issued; and
   (d) authorise one or more inspectors (whether or not named in the warrant) from time to time while the warrant remains in force:
      (i) to enter the premises; and
      (ii) to exercise the powers set out in Divisions 2, 3 and 4 in relation to the premises; and
   (e) state whether entry is authorised to be made at any time of the day or during specified hours of the day; and
   (f) specify the day (not more than 6 months after the issue of the warrant) on which the warrant ceases to be in force.
287 Enforcement warrants

(1) An inspector may apply to a magistrate for a warrant under this section in relation to premises.

(2) The magistrate may issue the warrant if the magistrate is satisfied, by information on oath or affirmation, that there are reasonable grounds for suspecting that there is, or there may be within the next 72 hours, evidential material on the premises.

(3) However, the magistrate must not issue the warrant unless the inspector or some other person has given to the magistrate, either orally or by affidavit, such further information (if any) as the magistrate requires concerning the grounds on which the issue of the warrant is being sought.

(4) The warrant must:
   (a) describe the premises to which the warrant relates; and
   (b) state that the warrant is issued under this section; and
   (c) specify the offence or contravention to which the warrant relates; and
   (d) specify the kind of evidential material that is to be searched for under the warrant; and
   (e) name one or more inspectors; and
   (f) authorise the inspector or inspectors so named:
      (i) to enter the premises; and
      (ii) to exercise the powers set out in Divisions 2, 3, 4 and 6 in relation to the premises; and
   (g) state whether the entry is authorised to be made at any time of the day or during specified hours of the day; and
   (h) specify the day (not more than 1 week after the issue of the warrant) on which the warrant ceases to be in force.

288 Enforcement warrants by telephone, fax etc.

(1) An inspector may apply to a magistrate by telephone, fax or other electronic means for a warrant under section 287 in relation to premises:
   (a) in an urgent case; or
(b) if the inspector believes, on reasonable grounds, that the delay that would occur if an application were made in person would frustrate the effective execution of the warrant.

(2) The magistrate may require communication by voice to the extent that it is practicable in the circumstances.

(3) An application under this section must include all information of the kind mentioned in subsection 287(2) in relation to the premises that sets out the grounds on which the warrant is sought. If it is necessary to do so, the inspector may apply for the warrant before the information is sworn or affirmed.

(4) If the magistrate is satisfied:
   (a) after considering the terms of the information; and
   (b) after receiving such further information (if any) as the magistrate requires concerning the grounds on which the issue of the warrant is being sought;
that there are reasonable grounds for issuing the warrant, the magistrate may complete and sign the same warrant that the magistrate would issue under section 287 if the application had been made under that section.

(5) If the magistrate completes and signs the warrant, the magistrate must inform the inspector, by telephone, fax or other electronic means, of:
   (a) the terms of the warrant; and
   (b) the day on which, and the time at which, the warrant was signed.

(6) The inspector must then complete a form of warrant in the same terms as the warrant completed and signed by the magistrate, stating on the form:
   (a) the name of the magistrate; and
   (b) the day on which, and the time at which, the warrant was signed.

(7) The inspector must also, not later than the day after the day on which the warrant ceased to be in force or the day of execution of the warrant, whichever is earlier, send to the magistrate:
Section 289

(a) the form of warrant completed by the inspector; and
(b) the information referred to in subsection (3), which must have been duly sworn or affirmed.

(8) The magistrate must attach to the documents provided under subsection (7) the warrant signed by the magistrate.

(9) A form of warrant duly completed under subsection (6) is authority for the same powers as are authorised by the warrant signed by the magistrate.

(10) If:

(a) it is material, in any proceedings, for a court to be satisfied that an exercise of a power was authorised by this section; and
(b) the warrant signed by the magistrate authorising the exercise of the power is not produced in evidence;
the court must assume, unless the contrary is proved, that the exercise of the power was not authorised by such a warrant.

289 Offence relating to warrants by telephone, fax etc.

(1) An inspector contravenes this subsection if:

(a) the inspector states in a document that purports to be a form of warrant under section 288 the name of a magistrate, unless that magistrate signed the warrant; or
(b) the inspector states on a form of warrant under that section a matter that, to the inspector’s knowledge, departs in a material particular from the terms of the warrant signed by the magistrate under that section; or
(c) the inspector purports to execute, or present to another person, a document that purports to be a form of warrant under that section that the inspector knows:

(i) has not been approved by a magistrate under that section; or
(ii) departs in a material particular from the terms of a warrant signed by a magistrate under that section; or
Section 289

(d) the inspector gives to a magistrate a form of warrant under that section that is not the form of warrant that the inspector purported to execute.

*Fault-based offence*

(2) A person commits an offence if the person contravenes subsection (1).

Penalty: Imprisonment for 2 years.
Division 8—Powers of magistrates

290 Powers of magistrates

(1) A power conferred on a magistrate by this Part is conferred on the magistrate:
   (a) in a personal capacity; and
   (b) not as a court or a member of a court.

(2) The magistrate need not accept the power conferred.

(3) A magistrate exercising a power conferred by this Part has the same protection and immunity as if he or she were exercising the power:
   (a) as the court of which the magistrate is a member; or
   (b) as a member of the court of which the magistrate is a member.
Part 5—Civil penalty supporting provisions

Division 1—Obtaining a civil penalty order

291 Civil penalty orders

Application for order

(1) AMSA may apply to an eligible court for an order that a person who is alleged to have contravened a civil penalty provision pay a pecuniary penalty.

(2) AMSA must make the application within 6 years of the alleged contravention.

Eligible court may order person to pay pecuniary penalty

(3) If the eligible court is satisfied that the person has contravened the civil penalty provision, the eligible court may order the person to pay such pecuniary penalty for the contravention as the eligible court determines to be appropriate.

Note: Subsection (5) sets out the maximum penalty that the eligible court may order the person to pay.

(4) An order under subsection (3) is a civil penalty order.

Determining pecuniary penalty

(5) The pecuniary penalty must not be more than:
   (a) if the person is a body corporate—5 times the civil penalty specified for the contravention; and
   (b) otherwise—the civil penalty specified for the contravention.

(6) In determining the pecuniary penalty, the eligible court may take into account all relevant matters, including:
   (a) the nature and extent of the contravention; and
   (b) the nature and extent of any loss or damage suffered because of the contravention; and
Section 292

(c) the circumstances in which the contravention took place; and
(d) whether the person has previously been found by a court in proceedings under one or more of the following to have engaged in any similar conduct:
   (i) this Act;
   (ii) the Marine Safety (Domestic Commercial Vessel) National Law;
   (iii) the Crimes Act 1914 or the Criminal Code in relation to this Act.

292 Civil enforcement of penalty

(1) A pecuniary penalty is a debt payable to AMSA on behalf of the Commonwealth.

(2) AMSA may enforce a civil penalty order as if it were an order made in civil proceedings against the person to recover a debt due by the person. The debt arising from the order is taken to be a judgement debt.

293 Conduct contravening more than one civil penalty provision

(1) If conduct constitutes a contravention of 2 or more civil penalty provisions, proceedings may be instituted under this Part against a person in relation to the contravention of any one or more of those provisions.

(2) However, the person is not liable to more than one pecuniary penalty under this Part in relation to the same conduct.

294 Multiple contraventions

(1) An eligible court may make a single civil penalty order against a person for multiple contraventions of a civil penalty provision if proceedings for the contraventions are founded on the same facts, or if the contraventions form, or are part of, a series of contraventions of the same or a similar character.
(2) However, the penalty must not exceed the sum of the maximum penalties that could be ordered if a separate penalty were ordered for each of the contraventions.

295 Proceedings may be heard together

An eligible court may direct that 2 or more proceedings for civil penalty orders are to be heard together.

296 Civil evidence and procedure rules for civil penalty orders

An eligible court must apply the rules of evidence and procedure for civil matters when hearing proceedings for a civil penalty order.
Divison 2—Civil proceedings and criminal proceedings

297 Civil proceedings after criminal proceedings

An eligible court may not make a civil penalty order against a person for a contravention of a civil penalty provision if the person has been convicted of an offence constituted by conduct that is the same, or substantially the same, as the conduct constituting the contravention.

298 Criminal proceedings during civil proceedings

(1) Proceedings for a civil penalty order against a person for a contravention of a civil penalty provision are stayed if:
   (a) criminal proceedings are commenced or have already been commenced against the person for an offence; and
   (b) the offence is constituted by conduct that is the same, or substantially the same, as the conduct alleged to constitute the contravention.

(2) The proceedings for the order may be resumed if the person is not convicted of the offence. Otherwise, the proceedings are dismissed.

299 Criminal proceedings after civil proceedings

Criminal proceedings may be commenced against a person for conduct that is the same, or substantially the same, as conduct that would constitute a contravention of a civil penalty provision regardless of whether a civil penalty order has been made against the person in relation to the contravention.

300 Evidence given in civil proceedings not admissible in criminal proceedings

(1) Evidence of information given, or evidence of production of documents, by an individual is not admissible in criminal proceedings against the individual if:
(a) the individual previously gave the evidence or produced the documents in proceedings for a civil penalty order against the individual for an alleged contravention of a civil penalty provision (whether or not the order was made); and
(b) the conduct alleged to constitute the offence is the same, or substantially the same, as the conduct alleged to constitute the contravention.

(2) However, subsection (1) does not apply to criminal proceedings in relation to the falsity of the evidence given by the individual in the proceedings for the civil penalty order.
Division 3—Miscellaneous

301 Ancillary contravention of civil penalty provisions

(1) A person must not:

(a) attempt to contravene a civil penalty provision; or
(b) aid, abet, counsel or procure a contravention of a civil penalty provision; or
(c) induce (by threats, promises or otherwise) a contravention of a civil penalty provision; or
(d) be in any way, directly or indirectly, knowingly concerned in, or party to, a contravention of a civil penalty provision; or
(e) conspire with others to effect a contravention of a civil penalty provision.

Note: Section 303 (which provides that a person’s state of mind does not need to be proved in relation to a civil penalty provision) does not apply to this subsection.

(2) A person who contravenes subsection (1) in relation to a civil penalty provision is taken to have contravened the provision.

302 Mistake of fact

(1) A person is not liable to have a civil penalty order made against the person for a contravention of a civil penalty provision if:

(a) at or before the time of the conduct constituting the contravention, the person:
    (i) considered whether or not facts existed; and
    (ii) was under a mistaken but reasonable belief about those facts; and

(b) had those facts existed, the conduct would not have constituted a contravention of the civil penalty provision.

(2) For the purposes of subsection (1), a person may be regarded as having considered whether or not facts existed if:
(a) the person had considered, on a previous occasion, whether those facts existed in the circumstances surrounding that occasion; and
(b) the person honestly and reasonably believed that the circumstances surrounding the present occasion were the same, or substantially the same, as those surrounding the previous occasion.

(3) A person who wishes to rely on a matter in subsection (1) or (2) in proceedings for a civil penalty order bears an evidential burden in relation to that matter.

303 State of mind

(1) In proceedings for a civil penalty order against a person for a contravention of a civil penalty provision (other than because of subsection 301(1)), it is not necessary to prove:
   (a) the person’s intention; or
   (b) the person’s knowledge; or
   (c) the person’s recklessness; or
   (d) the person’s negligence; or
   (e) any other state of mind of the person; other than as expressly provided.

(2) An expression used in a civil penalty provision that expressly provides for a state of mind has the same meaning as in the Criminal Code.

(3) Subsection (1) does not affect the operation of section 302 (mistake of fact).

304 Civil penalty provisions contravened by employees, agents or officers

If an element of a civil penalty provision is done or omitted to be done by an employee, agent or officer of a body corporate acting within the actual or apparent scope of his or her employment, or within his or her actual or apparent authority, the element must also be attributed to the body corporate.
Part 6—Infringement notices and voluntary enforceable undertakings

305 Regulations—infringement notices

(1) The regulations may provide for a person who is alleged to have contravened a civil penalty provision to pay a penalty as an alternative to civil proceedings.

(2) The penalty must not exceed one-fifth of the maximum penalty that a court could impose on the person for contravention of that provision.

306 Acceptance of undertakings

(1) AMSA may accept any of the following undertakings:

(a) a written undertaking given by a person that the person will, in order to comply with an offence provision or a civil penalty provision of this Act, take specified action;

(b) a written undertaking given by a person that the person will, in order to comply with an offence provision or a civil penalty provision of this Act, refrain from taking specified action;

(c) a written undertaking given by a person that the person will take specified action directed towards ensuring that the person does not contravene an offence provision or a civil penalty provision of this Act, or is unlikely to contravene such a provision, in the future.

(2) The undertaking must be expressed to be an undertaking under this section.

(3) The person may withdraw or vary the undertaking at any time, but only with the written consent of AMSA.

(4) An acceptance given by AMSA is not a legislative instrument.

   (a) a person has given an undertaking; and

   (c) AMSA considers that the person has breached the undertaking.

(2) If the eligible court is satisfied that the person has breached the undertaking, the eligible court may make any or all of the following orders:
   (a) an order directing the person to comply with the undertaking;
   (b) an order directing the person to pay to AMSA an amount up to the amount of any financial benefit that the person has obtained directly or indirectly and that is reasonably attributable to the breach;
